The U.S. Embassy in Seoul is transmitting the following information as a public service to all U.S. citizens in the Republic of Korea.

Seoul Metropolitan Police authorities advised the Embassy that on Tuesday, November 15, 2011, at approximately 2:00 p.m. an air-raid siren will sound for one minute to signal the start of a scheduled nationwide civil defense drill. Pedestrians in open and public areas should move to nearby buildings or subway stations as they would when seeking shelter in an actual event. All drivers/vehicles on the road must pull over and come to a complete stop. At approximately 2:15 p.m. a second siren will sound, signaling the conclusion of the drill. Local authorities will give further instructions if necessary.

U.S. citizens living or traveling in South Korea are encouraged to enroll with the Embassy through the State Department's Smart Traveler Enrollment Program (STEP) website: <https://travelregistration.state.gov/ibrs/ui/>. U.S. citizens without internet access may enroll in person at the U.S. Embassy. Enrollment is a voluntary way of telling us that you, as a U.S. citizen, are in Korea, whether for a long-term stay or for a short visit. In the event of an emergency, we use enrollment information to communicate with you. This could include a family emergency in which relatives in the United States request that the Embassy contact you.

For the latest security information worldwide, U.S. citizens should regularly monitor the State Department's website at <http://travel.state.gov> where the current Worldwide Caution, Travel Warnings, and Travel Alerts can be found. Up-to-date information on security can also be obtained by calling 1-888-407-4747 toll free in the United States, or, for callers from outside the United States and Canada, a regular toll line at 1-202-501-4444. These numbers are available from 8:00 a.m. to 8:00 p.m. Eastern time, Monday through Friday (except U.S. federal holidays).
