

Emergency Message for U.S. Citizens: Buenos Aires (Argentina), Road to Airport Blocked by Striking Workers Riots/Civil Unrest

Western Hemisphere > Argentina

2/2/2012

Local media is reporting that traffic flow to Ezeiza airport in Buenos Aires has been partly blockaded by striking workers. Therefore, the Embassy encourages all U.S. citizens using Ezeiza airport to check news reports or with their airline for more information.

U.S. citizens should be reminded that demonstrations are common in metropolitan Buenos Aires and occur in other major cities as well. Protesters on occasion block streets, highways, and major intersections, causing traffic jams and delaying travel. While demonstrations are usually nonviolent, some individuals break from larger groups and sometimes seek confrontation with the police and vandalize private property. Groups occasionally protest in front of the U.S. Embassy and U.S.-affiliated businesses. U.S. citizens should take common-sense precautions and avoid gatherings or any other event where crowds have congregated to protest. Information about the location of possible demonstrations is available from a variety of sources, including the local media.

U.S. citizens in Argentina are encouraged to enroll in the Smart Traveler Enrollment Program (STEP). Those enrolled in STEP receive Messages and Emergency Messages for U.S. citizens. These messages are placed on our website at the same time that they are sent via email to STEP enrollees. U.S. citizens without internet access may enroll in person at the U.S. Embassy. By enrolling, U.S. citizens make it easier for the Embassy to contact them in case of emergency.
