

Security Message for U.S. Citizens: Harare (Zimbabwe), Violent confrontations on M Road

Political Violence

Africa > Zimbabwe > Harare

7/4/2016

This message is to inform U.S. citizens that violent confrontations have occurred between transport workers and Zimbabwe Republic Police along the Mutare highway in the Eastern suburbs of Harare. We have had reports that traffic into and out of Harare is blocked. We strongly recommend that U.S. citizens avoid this area if possible.

The Embassy anticipates that tensions will remain high throughout the city and U.S. citizens should monitor local media for updates.

The contents of this (U) presentation in no way represent the policies, views, or attitudes of the United States Department of State, or the United States Government, except as otherwise noted (e.g., travel advisories, public statements). The presentation was compiled from various open sources and (U) embassy reporting. Please note that all OSAC products are for internal U.S. private sector security purposes only.
