U.S. Embassy Baku informs U.S. citizens that they should maintain a high level of vigilance in light of recent regional events and continued reports of possible threats of terrorist attacks and violence around the world, some of which include the possible targeting of U.S. citizens and interests, including in Azerbaijan.

We strongly recommend that U.S. citizens review the Worldwide Caution and Europe Travel Alert. Review your personal security plans and take appropriate steps to enhance your personal security. For further information about security in Azerbaijan:
