Jamaat-e-Islami, an Islamist political group, has called for a nationwide 6:00 a.m. to 2:00 p.m. hartal on Monday, September 5 in reaction to the execution of one of its leaders. "Dawn-to-dusk" hartals almost always begin at 6:00 a.m. on the day they are called and generally end at 6:00 p.m. on the same day. However, hartal organizers and supporters will often begin their protests the night before a hartal is scheduled to commence. Due to this, extra caution and vigilance should begin tonight at 6:00 p.m. and should continue until 6:00 p.m. on Monday.

A hartal is a mass protest and recognized political method for articulating a political demand.

As always, you should remain vigilant, avoid crowds and be aware of your surroundings at all times.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.
