Riots/Civil Unrest

11/8/2016

U.S. Embassy Pristina informs U.S. citizens that demonstrations are expected to take place along Mother Teresa Blvd in Pristina on November 8, 2016, beginning at 11:00. The protest is expected to begin at the National Library and move toward and ultimately end near the National Theater. A political party will be recognizing the death of a party member in prison. The anticipated size of the protest is unknown.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.
