

Security Message for U.S. Citizens: Cape Town (South Africa), Planned Demonstration V&A Waterfront

Riots/Civil Unrest

Africa > South Africa > Cape Town

11/14/2016

The U.S. Diplomatic Mission to South Africa informs U.S. citizens of a planned student demonstration on Monday, November 14 in the vicinity of the V&A Waterfront. The purpose of the demonstration is to express concerns about university affordability and campus governance issues. Disruptions to motor vehicle traffic and routine activities are expected in the vicinity of the demonstration.

U.S. citizens are reminded that even demonstrations intended to be peaceful can turn confrontational and escalate into violence. Avoid large gatherings and demonstrations; maintain situational awareness and exercise good judgment; stay alert; be aware of your surroundings at all times; and stay abreast of ongoing events through local media outlets.
