

## Active Shooter and Kidnapping Response Tips

Terrorism; Kidnapping; Traveler Toolkit

2/26/2018

This document provides active shooter and kidnapping response tips. While it was designed to accompany an OSAC Annual Briefing whitepaper on terrorism in the Sahel, insights are not terrorism or region-specific. U.S. private-sector organizations that operate in a variety of environments and face active shooter and/or kidnapping threats may find these tips useful.
